

Swains Creek Water Improvements Project, 2006

Lot Owner Q&A Meetings

The Swains Creek Pines Lot Owner's Association and the Kane County Water Conservancy District are teaming up and holding Question and Answer Meetings for those lot owners affected by the Swains Creek Water Improvements Project, 2006. Jeff Hoyt, the water master for the Duck Creek area, will be there to answer all questions about the new water meters (What does it look like? How do I hook into it? etc.) and give a demonstration on how the meters work.

All meetings will be held at the pavilion by the barn. Following is a schedule of dates and times:

- Saturday, August 19th10:00 a.m.
- Saturday, August 26th10:00 a.m.
- Sunday, September 3rdIn conjunction with the SCPLQA meeting from 1:00-2:00 p.m.
- Saturday, September 9th10:00 a.m.
